

## **Security Deposit Use and Termination**

I understand by checking this box that I have given Échappé Equipment sufficient information that acts as a security deposit for my rental of cycling wheels and/or equipment from Échappé Equipment, LLC. I understand late fees will be incurred each day that I have not returned the equipment to Echappe Equipment up to 15 days. I understand that if I do not return my rental item on time or at all within 15 days of the termination of my rental period, Échappé Equipment, LLC has permission to use the above information to charge me for the MSRP value of the item. Failure to contact Échappé Equipment after 15 days of my rental period allows Échappé Equipment to assume the loss of the item, by which point I allow Échappé Equipment to use the above information. Upon good return of the rented item, this information is destroyed.
