Échappé Equipment has found that many athletes work to achieve their highest potential through a combination of professional coaching and the use of the best available equipment. To facilitate meeting both objectives, Échappé has established a coaching network to go along with Échappé's equipment rental business.

You have agreed to enroll as an Affiliate Coach on the following basis:

- Organizing member, owner or manager on behalf of your coaching service will designate the participation level at the beginning of this agreement. Fees will be collected before any athlete discounts are given. Commission Rates will be determined by your payment.
- An athlete who is working with you and is not an Échappé Elite Member will be given the appropriate discount (A, B, C) on wheel and equipment rentals. Services are not eligible for discounts[2]. You will provide reasonable evidence of a working relationship with the athlete.
- Athletes who are not already Échappé Elite Members, but who have a working relationship with a coach for at least six (6) consecutive months may have the option to purchase an Échappé Elite Membership for 5% less than the current given rate. The Elite Membership benefits are a replacement for the above stated discounts. For complete Elite Membership details, please consult our website: http://www.racewheelrental.com/membership.html
- You will get a commission fee (rate corresponding to your level of payment) of the net rental charge for any rental by one of your athletes described above[3]. Coaches get paid only after the athlete has paid and the equipment is returned in good order.
- Coaches are free to cancel their affiliation at any time.
- You acknowledge that you are not an Échappé employee, agent or representative and all events may not bind Échappé Equipment, LLC.
- Échappé's relationship is direct with the athlete only as it relates to the Échappé Elite Membership and any equipment rentals or provision of services.
- Échappé may terminate this agreement by written notice if you do not refer at least four (4) athlete rentals in each rolling 60-day period. This will terminate the eligibility of your athletes to the above benefits they may have enjoyed; provided any Elite Memberships your athletes have purchased will be honored for the remainder of it's term.

Please remit a signed copy of this agreement to Échappé Equipment, LLC with your signature to notify us of your participation in the Coaches Affiliate program. Your participation will commence when we return to you an accepted counter-signed copy of the agreement.
